

# Household Hazardous Waste Disposal Day

September 23, 2017  
10:00am - 2:00pm  
City Hall Parking Lot

Is the cabinet under the sink a little too full? Do you have paint and solvents left over from this summer's renovations?

These things can harm groundwater and other parts of our environment if they're casually dumped. So let us take care of it for you!

Come drop off your hazardous waste **\*\*\*free of charge\*\*\*!**
