

POLICY AND DIRECTIVES		
Line Painting		
#REC 12.0	Date Approved/ Resolution # August 27, 2007 311-2007	Date Revised:

Policy:

Initial application of boundary lines on fall fields and soccer fields programmed by the City of Thompson shall be done by the City of Thompson. Repainting of boundary lines shall only be done at the request of the user group.

Scope:

Painting of lines does not include chalking of in-field lines.

Frequency of Application:

Repainting of Lines shall only be completed by City of Thompson employees at the request of the user. A minimum of 72 hours notice is required.

Use of Equipment:

Equipment and materials owned by the City of Thompson shall not be used by outside user groups for the purpose of line painting on facilities maintained by the City of Thompson.

Repairs:

If it is deemed by the City of Thompson that lines painted by others need to be re-chained (re-measured) the group responsible will be charged the set up fee for repainting each field as required.

Fees and Charges:

All users of the facility shall pay user fees as approved by City Council. Any federal or provincial taxes charged remain outside the City of Thompson approved fees. These taxes are added to the approved fees and will be charged to the user where applicable. Requests for reductions or waiver of fees must be submitted in writing to City Council for approval as per City policy.
